It's the plugging away that will win you the day,
So don't be a piker, old pard!
Just draw on your grit; it's so easy to quit:
It's the keeping-your-chin-up that's hard.

It's easy to cry that you're beaten--and die;
It's easy to crawfish and crawl;
But to fight and to fight when hope's out of sight--
Why, that's the best game of them all!

Foreword

As our SCHOOL SPIRIT grows, we pause to catch a glimpse of everything we have done. Our classmates, our friends, our teachers have all played a part in this, our boosting of Gator Spirit.

We have attempted to preserve the memories through word and picture. You, the students of W.C.H.S. made it; you lived it. Here it is--the 1966 ECHO.

In the Name and by Authority of
Ware County High Annual Staff

PROCLAMATION

- WHEREAS, The Annual Staff finds itself in the unique situation that arises when "an irresistible force meets an immovable object"; that TWO persons have achieved the distinction of being equally deserving of this honor; and
- WHEREAS, The one has constantly maintained the honor and dignity of the teaching profession; has devoted her life to the betterment of mankind by her untiring efforts to instill knowledge and values in the hearts and minds of boys and girls; by her life is a source of inspiration and guidance to all who know her; and
- WHEREAS, The other "stands tall" in the eyes of his students and friends; has given unstintingly of his time and talents to help his students not only in the big things of life but the small as well; has lighted the fires of ambition by his own unfailing enthusiasm and zest for living; and
- WHEREAS, The students of Ware County High have an abiding admiration and respect for both of these teachers;
- NOW, THEREFORE, We, the Annual Staff of the ECHO, do proudly dedicate this issue to both MISS LOUISE BENNETT and R. L. HURST.

GIVEN under hand and seal of approval, this year of our Lord one thousand nine hundred and sixty-six.

Principal's Message

Our School Spirit is represented by Albert, the Gator. He is the unseen "Watcher" of all of our activities. You and he know if you display true School Spirit.

He wants to see if you are a true Gator. Do you put the things of school above your own personal desire? Do you want your school to excel in all of its endeavors? Do you want the reputation of your fellow students to be the best possible? Do you do your part to make this the best?

We often think of School Spirit in terms of support for the athletic teams. This is a good place to show your School Spirit, either by participating as a player or supporting those who are playing by being present and backing them, win or lose. School Spirit supports all activities sponsored by the students and faculty for the betterment of the school: Plays, concerts, annual, radio programs, newspaper, and contests.

Pride in academic achievement is School Spirit. Pride in the success of our graduates is School Spirit. Cooperation and support of these endeavors are necessary for true School Spirit.

School Spirit! That is what Ware County High School has in abundance. It is that unseen quality which makes you a supporter of this school. It is that quality which you feel from within. It is that pride which causes others to have pride in you. It is that united togetherness of all students to make Ware County High School the greatest.

Sincerely,

W. E. Gregory

Waycross game.

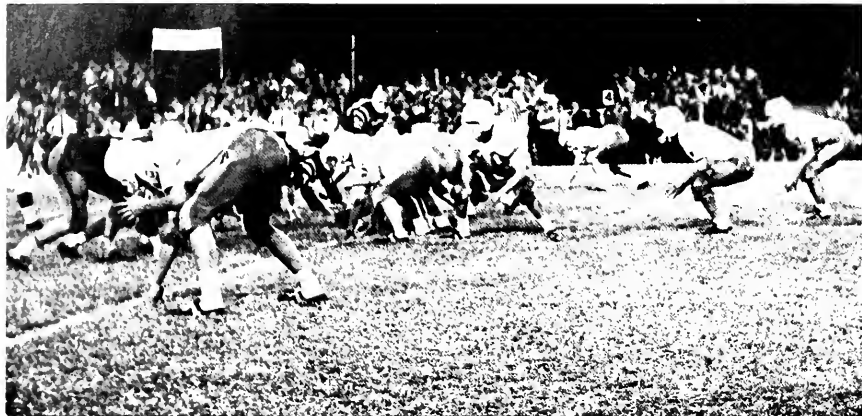

And I Finally

Become a Part of That Gator Spirit!

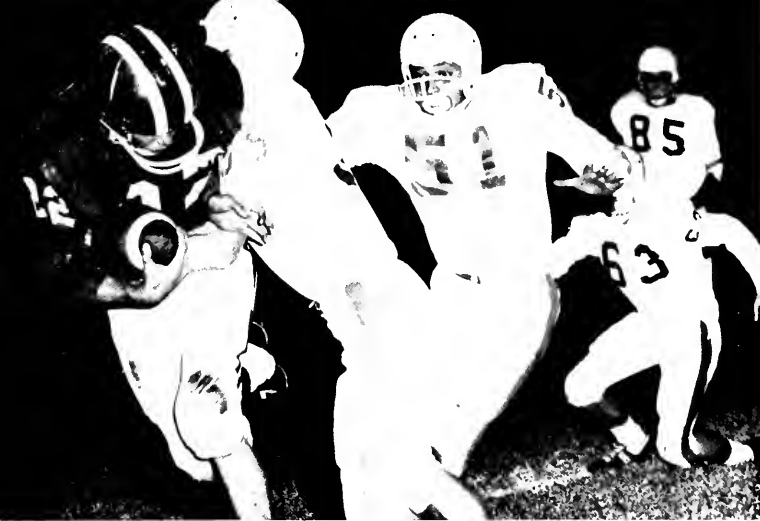

WARE-WA YCROSS

Gators on the attack.

WARE-APPLING Brantley stops Pirate for no gain.

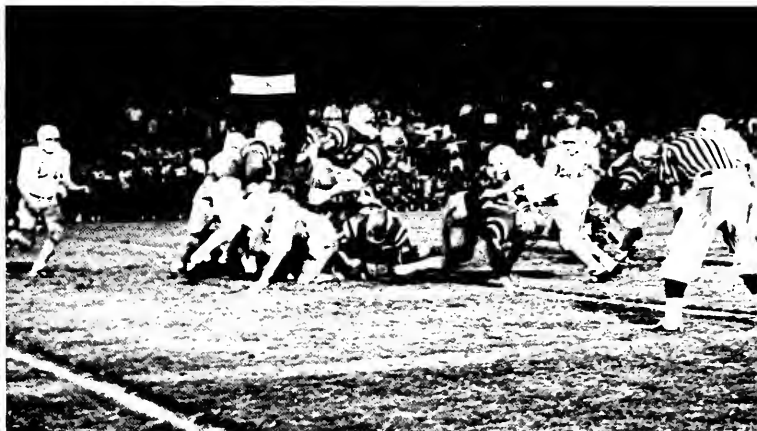

Losing all but one regional game, the Gators again rode in the rumble seat of the region limousine. A 3-7 season after an anticipated 5-5 is naturally disappointing, but many good things were salvaged from the unsuccessful year.

The great effort put forth in the last game is a good sign that the Fighting Gators have some high hopes of riding a little in that plush front seat next year.

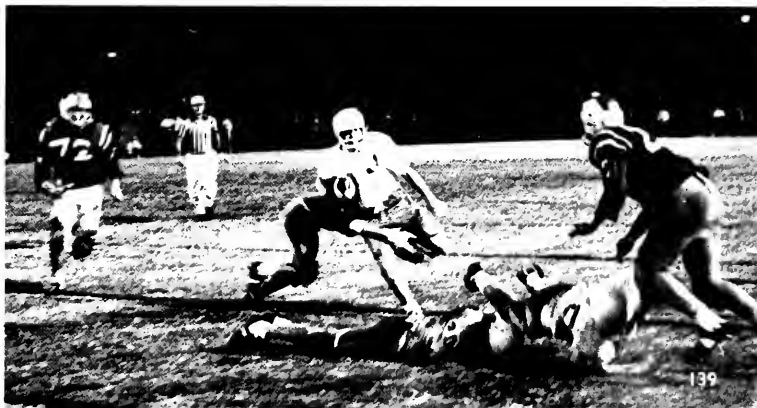

Coach Shields

WARE-APPLING

WARE-WAYCROSS Gators fight gallantly to defeat opponent.

School Spirit

To an outsider, sports mean games and excitement and cheering. But, in the students' life, sports mean even more than that. They mean long hours of tiresome practice, high hopes and sometimes the lonely feeling of defeat as well as victory. To other students and to teachers, sports mean watching and rooting for good friends and working to show the best your school has to offer.
